SWARTLAND MUNICIPALITY

INDIGENT POLICY

REVIEWED AND AMENDED

MARCH 2020 FOR THE 2019/20 FINANCIAL YEAR
Preamble

Whereas section 96 of the Local Government: Municipal Systems Act, 32 of 2000 ("The Act") requires a municipality to adopt, maintain and implement a credit control and debt review policy which is consistent with its rates and tariff policies and complies with the provision of the Act.

And whereas section 97 (c) of the Act further requires that such policy must provide for "Provision of indigent debtors that is consistent with its rates and tariff policies and any national policies on indigents"

And whereas section 15 of the Credit Control and Debt Collection by-law ("The By-law") of the Swartland Municipality provides that financial assistance may be granted by the municipality to person/s that meet the criteria as laid down in this indigent policy.

Now therefore the Municipal Council of the Swartland Municipal adopts and confirms the Indigent policy as set out in this document.

Constitutional Framework

Section 156 of the Constitution of the Republic of South Africa, 1996 ("The Constitution") provides amongst other for the following:

A municipality has executive authority in respect of, and has the right to administer—

The local government matters in part B of Schedule 4 and part B of Schedule 5. These services include water, electricity, sanitation and refuse removal.

In terms of section 227 of the Constitution, local government is entitled to an equitable share of nationally raised revenue to enable it to provide basic services and perform the functions allocated to it. The local government equitable share is an unconditional transfer that supplements the revenue which municipalities can raise themselves (including revenue raised through property rates and service charges). The equitable share provides funding for municipalities to deliver free basic services to registered poor households and subsidises the cost of administration and other core services.

In order to achieve the objective cited above the Swartland Municipality receives an annual Equitable Share from National Government and elected that the bulk of this Share may be utilised to finance those basic services to households who qualify in terms of this Indigent policy and for the express purpose of poverty alleviation and dignified living conditions.

impermissible tax of  R 15 000) as the single qualification criteria:

(1) Indigent households who qualified as a result of the threshold value in 2014
are deemed to still qualify for the subsidy due to the limited audits done as
a consequence of the very limited staff resources in the department dealing
with indigent subsidies (this however does not justify that indigent
households who do not qualify, still receiving same as this directly
disadvantage deserving households).

(2) Council has the responsibility to act within the interest of all its citizens and
to equitable and fairly ensure that those households who are able to pay for
services does so and only those deserving families received the free basic
services.

(3) Indigent households will therefore be required to re-apply for their free
basic services in a bid to avoid that council proceed with the cancellation of
their subsidy.

(4) Council is acutely aware of the social demise this could cause, and
therefore;

(a) Council will certainly apply the principles of The Promotion of
Administrative Justice Act, 2000 (Act No. 3 of 2000) (“PAJA”) that gives
effect to the right to administrative action that is lawful, reasonable and fair; and
