

SWARTLAND MUNISIPALITEIT

KENNISGEWING 65/2020/2021

GEEN TOEGANG TOT EIENDOM

Swartland Munisipaliteit se Meterlesingsafdeling ondervind steeds probleme met geen toegang tot eiendomme as gevolg van:

1. Kwaai honde op die erf;
2. Hekke wat gesluit is.

Dit veroorsaak dat lesings nie geneem kan word nie en die geraamde verbruik bereken moet word. Die gevolg hiervan is dat die verbruik onder- of oorverhaal word en in die volgende maande reggestel word.

Ons versoek u vriendelik om u lesing per e-pos (swartlandmun@swartland.org.za) of telefonies (022 487 9400) aan die Dienste afdeling deur te gee om hierdie regstellings uit te skakel en sodeonde vir u 'n akkurate dienste rekening te lewer.

U samewerking in die verband word waardeer.

SWARTLAND MUNISIPALITY

NOTICE 65/2020/2021

NO ACCESS TO PROPERTY

Swartland Municipal Meter Reading section is still experiencing problems with no access, due to the following:

1. Dangerous dogs on the premises;
2. Gates that are locked

This causes readings not to be taken and the estimated consumption being calculated by the financial system. The result is that consumption is under- or over recovered with corrections only being effected in the following months resulting in the municipality being blamed for incorrect billings

We kindly request you to submit your meter readings via e-mail (swartlandmun@swartland.org.za) or telephonically(022 487 9400) to the Services Department to eliminate these corrections and to provide you with an accurate services account.

Your cooperation in this regard is appreciated.
