BELANGRIKE KENNISGEWING

Die munisipaliteit het deur middel van 'n formele proses tenders ingewin vir die uitmaak van kwitansies vir rekeningbetalings by punte elders as by munisipale kassierspunte.

Hierdie diens word tans landswyd deur **Cigicell** gelewer wat dit moontlik maak dat 'n munisipale rekening by enige besigheidsgroep wat oor die **unipay**-fasiliteit beskik, betaal kan word. **CigiCell** was egter nie die suksesvolle tenderaar nie. Die diens sal derhalwe uitfaseer word **31 Maart 2023**.

U word hiermee in kennis gestel dat munisipale rekeninge slegs tot op **31 Maart 2023** by besigheidsgroepe wat oor die **unipay**-fasiliteit beskik, betaal sal kan word.

Belangrik egter is dat die diens met ingang van **1 April 2023** landswyd deur **pay@** (die suksesvolle tenderaar) gelewer sal word by enige besigheidsgroep/kleinhandelaar wat oor **pay@**-fasiliteite beskik vir die betaling van munisipale rekeninge.

To all our clients

IMPORTANT NOTICE

Tenders were invited through a formal process for the receipt of municipal account payments on behalf of the municipality at paypoints other than municipal cashiers.

At the present moment this service is nationally rendered by **Cigicell** allowing for municipal accounts to be paid at any business group linked to the **unipay**-facility. As **Cigicell** was not the successful tenderer. The service will therefore be phased out on 31 March 2023.

Notice is hereby given that municipal accounts can be paid at the business groups linked to the **unipay**-facility up till **31 March 2023**.

Important however, is that the service will be rendered nationally as from **1 April 2023** by **pay@** (the successful tenderer) at any business group/retailer linked to the **pay@**-facility for the payment of municipal accounts.
