Sir/Madam

PROPOSED TEMPORARY DEPARTURE ON FARM HILLSIDE WEST NO. 708, DIVISION MALMESBURY

Your application dated 29 July 2025 received by Swartland Municipality on 15th of September 2025, regarding the subject refers.

By virtue of the authority delegated to the Senior Manager: Development Management in terms of Council Decision No. 4.1 dated 28 March 2019, as determined by Section 79(1) of the Swartland Municipality: Municipal Land Use Planning By-Law (PG 8226 of 25 March 2020), the application for a temporary departure on farm Hillside West no 708, Division Malmesbury, is hereby approved in terms of Section 70 of the By-Law, subject to the conditions that:

1. TOWN PLANNING AND BUILDING CONTROL

- (a) The temporary land use right permits the hosting of a music event (Rocking the Daisies – event area extent of 12 500m²) at Cloof Wine Estate for a maximum of 8 000 patrons & 1000 staff/participants;
- (b) The land uses at the event include concerts, camping and ablution, retail (vendors), parking, first aid services, security detail and a waste area;
- (c) The setup of the temporary structures on site commences on 11 September 2025 to 2 October 2025;
- (d) The event be held from 3 October 2025 to 5 October 2025;
- (e) The strike down of the structures and site clean-up be completed from 6 October 2025 to 18 October 2025;
- (f) All temporary structures to be used for the event be constructed by or under the supervision of a suitably qualified professional(s) to avoid any injuries that may occur during the event and setting up/breaking down of the tents;

- Swartland vooruitdenkend 2040 - waar mense hul drome uitleef!
- Swartland forward thinking 2040 - where people can live their dreams!
- iSwartland ijonge phambili ku2040 -apho abantu beza kufezekisa amaphupho abo!

- (g) A certificate of compliance in terms of electrical and structures / stages be signed off by an engineer registered in terms of the relevant legislation and handed over to the event organiser for safeguarding before the event starts;
- (h) The event organizer at all times ensures that the safety and security measures are accessible and ready to be employed in a case of emergency, as submitted with the application;

2. PROTECTION SERVICES

- (a) All relevant sections and regulations of the "*Safety at Sports and Recreational Events Act*", (Act 2 of 2010) as well as the *Health and Safety Act* (SANS code 10366) must be adhered to. Proof of this must be made available if required;
- (b) The event organisers be responsible to adhere to all requests and comply to all instructions from law enforcement agencies;
- (c) A complete and final copy of the safety and emergency plan be submitted to the municipality for our records;
- (d) A certificate of compliance in terms of electrical and structures / stages be signed off by an engineer registered in terms of the relevant legislation;
- (e) Each food stall must be in possession of certificate of acceptability;
- (f) The appointed safety officer ensures the implementation of the traffic management plan;

3. WATER

- (a) No municipal drinking water can be supplied to the proposed entertainment activity;
- (b) Water to be used for domestic purposes must be clean water that complies with the requirements of SANS 241. "Clean water" is defined as clean and clear water that is free of any *Escherichia coli* organisms per 100 millilitres and free from any particles in concentrations that could be harmful to human health;
- (c) The owner of Farm 708, Malmesbury be responsible to provide clean water to the festival and Swartland Municipality or the Department of Water Affairs accept no responsibility regarding the quality and quantity of the water that is used during the festival;

4. SEWERAGE

- (a) No municipal sewer services can be provided to the proposed festival;
- (b) Sufficient ablution facilities be provided by the owner/event coordinator for the festival;
- (c) Any sewerage be removed from the farm by a contractor and be disposed of in an acceptable manner;

5. REFUSE REMOVAL

- (a) There is sufficient capacity at the Highlands Landfill to receive waste of a general and household nature. Provided it is transported to the facility on private initiative and undertaking. Waste accepted at the landfill is subject to the regulations pertaining types of waste allowed on the landfill as well as relevant fees payable.
- (b) Payments made must be by means of coupons;

6. GENERAL

- (a) The approval does not exempt the applicant from adherence to any and all other legal procedures, applications and/or approvals related to the intended land use, as required by provincial, state, parastatal and other statutory bodies.

Yours faithfully

MUNICIPAL MANAGER
